SUMMARY

Motivated and adaptable professional with experience in web development, Android, iOS development, and marketing. Skilled in communication, organization, teamwork, and problem-solving, with the ability to quickly learn new tools and processes. Committed to delivering quality support, maintaining professionalism, and providing reliable assistance to help achieve team and client goals.

WORK EXPERIENCE

FREELANCE SOFTWARE DEVELOPER

Worked with clients to design, develop, and maintain web-based applications tailored to their requirements, handling both frontend and backend tasks. Delivered functional, user-friendly solutions while troubleshooting issues, optimizing performance, and ensuring responsive design. Strengthened skills in problem-solving, client communication, and project management while meeting deadlines independently.

LCLS GOTERA ADMINISTRATIVE OFFICE

Gained hands-on experience supporting and maintaining internal software tools used for daily office operations, including managing digital records, assisting with system updates, and resolving basic technical issues. Developed skills in problem-solving, data accuracy, confidentiality, and user communication while helping improve workflow efficiency through technology-based solutions.
