REGISTRATION CONFIRMATION

General Rule: No refund shall be made without the written "official notice of withdrawal from enrolment" by the parents/guardian of the student as approved by the Registrar and duly noted by the Dean of Tertiary Education or her authorized representative.

- A service fee of P1, 000 shall be charged to a student who drops out before classes start.
- The required amount of down payment shall be forfeited if a student drops after classes have started.
- A student who officially drops within the first week of classes shall be charged 25% of the first installment; 50% of the first installment shall be charged on the second week of classes; 75% of the first installment shall be charged on the third week of classes; and the full amount of the first installment shall be charged if the student officially drops within the fourth week of classes.
- A college student who drops out after the fourth week of classes is required to pay the full amount for tuition, miscellaneous and other fees and charges for the whole trimester.
- In case of overpayment, refund will be processed only after enrolment is officially closed. A statement of account showing the overpayment duly signed by the cashier shall be required to process the refund.
